

## Our Company

North American Landscape & Grounds Maintenance Solutions is a full service landscape maintenance provider serving Connecticut and Rhode Island. We provide expert lawn care, tree preservation and maintenance, ground cover, bush, and hedge trimming, irrigation system inspection and repair, herbicide and insecticide chemical treatments, fertilizations, seasonal plantings, and more.

## Our Commitment

We'll partner with you to achieve your short and long-term landscaping needs, present a pleasing image to your tenants or customers, and preserve and augment your property value. We provide the best quality and most cost-effective landscaping solutions, and we pride ourselves on being affordable, flexible, prompt, reliable, and responsive.

We are dedicated to excellence, offering customers reliable, first-class service at competitive prices. We recognize the importance of providing a safe, clean, and well-maintained property for your clients and tenants, and work diligently to meet your needs.
